

Awe & Wonder

- Year 1: Trip to the Story Museum in Oxford to start the unit of 'Trip Down Memory Lane' and experience a museum.
- Year 3: Trip to the Corium Museum in Cirencester for the unit of the Roman Empire.
- Year 4: Trip to the Ashmolean Museum for the unit of the Egyptians.

Knowledge & Understanding

- 'Sticky knowledge' as part of MTPs, which children need to understand in order to access the next stage in their learning. This is informally assessed throughout and after the unit.
- Learning journeys are sequenced carefully, allowing children to understand the context and key vocabulary at the beginning of each unit

Good Citizenship

- Year 1's unit 'A Trip Down Memory Lane' will look at how life has changed in Wantage and Grove by talking to local community.
- Year 4's unit 'Mayan Civilization' provided many opportunities for the children to discuss the roles within a city and the importance of every member of society.

Achievement & Success

- Through scaffolding such as discussing and exploring vocabulary and immersive activities, 'low threat/high challenge', all children are able to access the key learning in History lessons.
- Children are given the opportunity at the end of the unit to share their learning in different ways.
