Feel free to explore these units with your children.</b></p> | <p><b>In Year 4, we ask that children read at least 5 times per week, including two reads with an adult.</b></p> <p>Your children have a bookmark with their AR decimal score and can choose books that are within this band (see <a href="http://www.arbookfind.co.uk">www.arbookfind.co.uk</a> ).</p> <p>Then, login to <a href="#">Accelerated Reader</a> and do a quiz!</p> <ul style="list-style-type: none"> <li>Listen to your child read and let them discuss what they have read - talk about the characters and what might happen next. Encourage them to read with expression and intonation.</li> <li>Create your own story using your imagination and share with others.</li> </ul> <p><b>In Year 4 we have a couple of Word Millionaires and some that are very close, keep quizzing on your completed books!</b></p> |

## Spelling activities (or Phonics)

- Practise the Year 3/4 [CommonException](#) words - can you use them in a sentence?

## OPTIONAL wider curriculum ideas to try!

### Discussion/learning talk time

- Talk to your child about what they have been learning in Geography – Water cycle and Rivers
- Encourage them to explain how the water system works and the importance of each stage.

### Let's Wonder:

- What interesting facts can you find out about the digestive system?
- Where does most of the digestive process take place?

### Let's Create:

- Create a scenic drawing of a landscape that includes either the sea, river or lake. Experiment with using different medias; paint, sketching or collage.

### Be Active:

- Summer term is upon on us, go for a jog and see if you can improve on either your distance or time.
- Invent an outdoor game with your friends or family.

### Millbrook Manners Magic!:

- Help someone in your family – it might be tidying your room; doing the washing up or even helping to wash the car!

## Maths - Times Tables grid

In Year 4, we ask that children practice their times tables daily.

- Use the multiplication grid below to practise counting, then try quickfire questions (e.g.  $3 \times 8 = \underline{\quad}$ )
- Play on [Times Table Rockstars](#) - your child will have an individual login to access this. Go for it!
- Play on [Hit the Button](#) - focus on times tables!
